You can join in with what you already know, but also try out something new. No need to travel to a big scary event, simply stroll across the room or even just observe from afar.

Rubber Social

The Southampton Rubber Social team host this celebration of all things squeaky and shiny. Come and admire the fantastical latex creations, or show off your own.

Kennel Klub

Manchester's Kennel Klub forms the canine corner of our Safari Park. You don't need any gear to be a dog and join in the fun on all fours, but of course your hoods, mitts, kneepads and show tails are very welcome if you have them.

Pony Meet

A chance to show off your lovely mane and hooves and all that gorgeous tack. An opportunity for the rest of us to learn about this special community.

Little Paws

Our sponsors ABU run the Safari Park's playground. As well as a supply of their products, they offer activities and chill areas for smaller critters, those interested in being smaller, or simply those curious about what it's all about.

Improv Jam

15:00 - 16:00 The Tundra

Improv is the art of making something from nothing. If you've ever watched "Who's Line Is It Anyway?" and thought "Ooh! That looks fun!" then now is your chance!

The famous Manchester club night comes to Gloucester. Aphex, Jaiq, Mallard, MuttKutz and Sable - techy tunes to hypnotise your pups with! See page balh for full music schedule. For this event the costume code is relaxed.

Second Hand Bring & Buy

10:00 - 12:00 Tundra

Sell your unwanted gear, or find a bargain. Anyone can sell, one item or a whole wardrobe. Full details and seller registration on the website. The room is open for sellers to set up at 9am, sales begin at 10.

BabyFur/Littles for Beginners
